

## Colorectal Cancer Pathway Map Acknowledgments

The following individuals are acknowledged for their involvement in the development/review of the Colorectal Cancer Pathway Map, in their capacity as clinical experts, as listed below.

All individuals acknowledged here have reviewed the content of the Pathway Map and confirm that, with respect to their medical specialty and to the best of their clinical judgment and opinion, the Pathway Map depicts evidence-based best practice and is informed appropriately by expert opinion where evidence is conflicting or missing.

Furthermore, they support the release of the Pathway Map on the external Ontario Health (Cancer Care Ontario) website, and they consent to their names being listed as contributors to the Pathway Map.
