

Esophageal Cancer Pathway Map Acknowledgements

The following individuals are acknowledged for their involvement in the development/review of the Esophageal Cancer Pathway Map, in their capacity as clinical experts, as listed below. They have reviewed the content of the Pathway Map and confirm that, with respect to their medical specialty and to the best of their clinical judgment and opinion, the Pathway Map depicts evidence-based best practice and is informed appropriately by expert opinion where evidence is conflicting or missing. The following individuals support the release of the Pathway Map on the external Cancer Care Ontario website and they consent to their names being listed as contributors to the Pathway Map.
