

# Same place, new test!

Did you know that  
**9 out of 10** people can  
be cured if colon cancer  
is caught **early?**

The new **fecal immunochemical test (FIT)** is an at-home test to check for colon cancer:

- FIT is safe and painless
- It only takes a few minutes to do
- You only need to collect one stool sample
- You can eat and take your medications as usual
