

Cancer screening is about helping you live a good life

Three organized cancer screening programs are offered to eligible people in Ontario.

BREAST: Mammogram

CERVICAL: Pap Test

COLON: Fecal Immunochemical Test (FIT)

The screening tests are free for eligible people in Ontario.

BREAST

Mammogram

People 50 to 74 years old who are eligible

Every 2 years for most

CERVICAL

Pap Test

People 21 to 70 years old who are eligible

Every 3 years for most

COLON

Fecal Immunochemical Test (FIT)

People 50 to 74 years old who are eligible

Every 2 years for most

If you think you may be at high risk for breast cancer or colorectal cancer, talk to your primary care provider to see if you are eligible to get screened earlier.

Please contact your primary care provider to learn more about your screening options. If you do not have a primary care provider visit: iphcc.ca/home/iphcc_members/ and afhto.ca/find-team-near-you
