

Cancer screening is about helping you live a good life

Three organized cancer screening programs are offered to eligible people in Ontario.

BREAST: Mammogram CERVICAL: Pap Test COLON: Fecal Immunochemical Test (FIT)

The screening tests are free for eligible people in Ontario.

BREAST Mammogram	CERVICAL Pap Test	COLON Fecal Immunochemical Test (FIT)	lf yo be a can
People 50 to 74 years old who are eligible	People 21 to 70 years old who are eligible	People 50 to 74 years old who are eligible	can prir
Every 2 years for most	Every 3 years for most	Every 2 years for most	to s to g

Please contact your primary care provider to learn more about your screening options. If you do not have a primary care provider visit: iphcc.ca/home/iphcc_members/ and afhto.ca/find-team-near-you
